LAST NAME: _____ FIRST NAME: _____

UBCO STUDENT #: _____ CELL OR HOME #: _____

EMAIL: _____ Year completed as of April, 2017: _____

MAJOR: _____ MINOR: _____

BIOL 372: Field Ornithology (3): Field study of birds. Two-week (10 day) course; daily field exercises starting early in the morning (6:30am); equivalent of three lecture hours and three lab hours each day. Offered during spring migration following final exam period. \$75 field trip fee applicable. Students must arrange own transportation to and from field locations.
Pre-requisites: One of BIOL 201, 203, 204, 250 and successful completion of 48 academic credits.

IS THIS COURSE REQUIRED FOR NOVEMBER GRADUATION? (please circle) YES or NO

Please include a copy of your unofficial transcript to complete your application.

**** Note: BIOL 372 is 10 days long, AND includes Saturday, May 20 in lieu of the Victoria Day holiday.**

** Please be aware field protocols require early class start times (local sunrise time plus 90 minutes)

Drop off completed Application Form and Unofficial Transcript to SCI 154 by **March 3, 2017** or scan and email them to biology.okanagan@ubc.ca. Late applications will be placed in a 2nd pool and only be considered once all applicants from the first pool have been contacted.

COMPLETE Applications will be reviewed and if selected students will be force-registered and notified by email. Registration is limited to 20 students. First priority for registration in Biology Summer Field courses: 1) Meets Pre-requisites; 2) BIOL MAJORS; 3) 3rd year standing or above.

By checking this box, I am aware that there is a \$75 field trip fee associated with this course.
