Questions: contact biology.okanagan@ubc.ca

PART I - SUPPORT STATEMENT

This form serves two purposes:

1. To indicate that you approve of the proposal and the research; and
2. To verify that you have appropriate funding for the project.

To ensure confidentiality of the supervisor's recommendation, the faculty member should complete this form and submit the application package (Form A & B) directly to the Unit Head for signature. Do not return the application package to the student.

1. Comment on the strength of the applicant.
